

Minutes from the electronic meeting of the Council and the Board of the Tadeusz Tomaszewski Foundation for Development of Polish Psychology held from 17 January to 16 February 2019

(Shortened version)

1. The meeting was attended by all the members of the Foundation Council and the Board.
2. The members of the meeting decided to change the topic of the conference planned in autumn from the subject of contemporary psychology to the phenomenon of hate in social relationships. This change was caused by the recent tragic murder of Gdansk's mayor, as well as the process of increasing social polarization.
3. It was established that the conference will be a one-day event and will take place in Warsaw (Stanisław Staszic Palace), 24 October 2019.
4. A Scientific Committee of the conference was appointed, and a list of the invited guests was established.
