

## **ENGLISH PREPARATORY SUMMER SCHOOL**

### **PROGRAM OF STUDY**

The six-week English Preparatory Summer School is aimed at students, who have already achieved CEFR B1+ level of English proficiency and would like to reach CEFR B2 or CEFR C1 level, before starting their studies at the university.

#### **FIRST DAY**

On the first day, students attend an opening ceremony and an integration workshop to get to know the teachers and each other better. After the ceremony, students undergo an assessment of their English skills, which helps us to place them in groups appropriate to their language proficiency level.

#### **COURSE SUMMARY**

There are 30 hours of instruction per week. The course aims at improving speaking, listening, comprehension, grammar, reading and writing. The emphasis is placed on equipping students with language skills necessary for analysis and comprehension of academic texts and for critical assessment of complex theories and terms.

Moreover, students acquire practical academic competencies, such as note-taking, essay writing, problem-solving, debating, teamwork, exam practice, and presentation skills. Students can also expect some projects requiring teamwork, which provide further opportunity for practicing communication skills.

#### **COURSE COMPLETION**

At the end of the course, students take the final test to assess their progress.

The program closes with an official Graduation Ceremony, where Director of the Office of International Affairs hands out Certificates of Summer School Completion.
