Prosocial video game as an intimate partner violence prevention tool among youth: A randomised controlled trial. <i>Computers in Human Behavior</i>, 93, 260-266. https://doi.org/10.1016/j.chb.2018.12.028</p> <p>Debowska, A., Boduszek, D., Sherretts, N., Willmott, D., & Jones, A. D. (2018). Profiles and behavioral consequences of child abuse among adolescent girls and boys from Barbados and Grenada. <i>Child Abuse & Neglect</i>, 79, 245-258. https://doi.org/10.1016/j.chiabu.2018.02.018</p>	
<p>Discipline for a future doctoral dissertation (possible: sociology, political and administrative sciences, culture and religion sciences, literary studies, psychology, fine arts and art conservation)</p>	<p>Psychology</p>	
<p>A brief description of the research directions pursued by the supervisor (a few sentences describing the scientific/artistic specialization; main research problems; scientific interests) and a possible link to the website/research team</p>	<p>My research largely focuses on child maltreatment, intimate partner violence, and violence prevention.</p>	
<p>Thematic areas of planned doctoral dissertations</p>	<p>All projects related to the study of the causes, consequences, and prevention of interpersonal violence.</p>	
<p>Number of people that the supervisor / scientific supervisor would be able to accept as a result of recruitment in the academic year 2026/2027:</p>	<p>to the Doctoral School (doctoral scholarship financed by SWPS University)</p>	<p>Number: 2</p>
	<p>for national and international research projects or grants</p>	<p>Number: 0 Project name:</p>

	(doctoral scholarship financed from grant funds)	
	to the Industrial Doctorate program (doctoral scholarship financed by the Ministry of Science and Higher Education)	Number: 0
	for external mode (no doctoral scholarship)	Number: 0
Number of currently conducted doctorates:	in Doctoral School	Number: 0
	in external mode	Number: 0
The number of doctoral students promoted so far , along with the year of completing their doctoral degrees:	4 completions: 2019, 2023, 2024, 2024	
RECRUITMENT Candidates should contact their selected potential supervisors who are members of centers and/or research teams		
Conditions to be met by the candidate in the field of: scientific interests; scientific competences; achievements to date; knowledge of foreign languages; social competences; availability, etc.	1. Interest in the field of psychology of violence; 2. Experience in designing and conducting empirical research and writing research reports (e.g., in the form of a master's thesis); 3. Very good knowledge of the English language; 4. Ability to perform statistical analysis in SPSS program; 5. Willingness to learn other statistical programs to perform advanced analyses (e.g., Mplus).	
Preferences regarding contact with the candidate during recruitment	<input type="checkbox"/> E-mail contact: please provide e-mail address: _____ <input type="checkbox"/> Telephone contact: <i>please provide phone number:</i> _____ <input type="checkbox"/> Personal meetings (<i>by prior arrangement by e-mail/telephone</i>) <input type="checkbox"/> All forms of contact	
Preferred dates, times and location (in the period March-June 2026) in order to conduct an interview with the candidate	No preferences	
Information about possible absence preventing candidates from contacting a potential supervisor (with dates)
